HYDRAULIC™ TECHNOLOGIES

HYDRAULIC SERVICE TRAINING

Enhance Your Expertise in Safe and Efficient Equipment Operation

As a distributor of hydraulic equipment, it is essential to be thoroughly knowledgeable about the products you are procuring and supplying. Power Team's Hydraulic Technologies On-Site Service Seminars provide a comprehensive, hands-on training opportunity to help you advance your understanding of the equipment you sell and service. This three-and-a-half-day seminar will enable participants to enhance their operational expertise and gain crucial insights into fostering a safe working environment. A nominal fee of $500/person is charged for the On-Site Service Seminars which covers the cost of lunches, two specialty reservoirs designed for troubleshooting and miscellaneous supplies.

Well-trained employees act as your strongest defense against lost time, accidents, and equipment damage caused by improper use.

2027 TRAINING SCHEDULE	
DATE	**TIME**
April 5th - 8th	8am-4pm CST
June 7th - 10th	8am-4pm CST
August 9th - 12th	8am-4pm CST
October 4th - 7th	8am-4pm CST

The importance of proper training cannot be overstated.

Equipment-related accidents can lead to significant costs, including injury, downtime, and damage to machinery. By attending this seminar, you will acquire the necessary skills and knowledge to reduce these risks, ensuring that equipment is used safely and efficiently. Well-trained employees are the best safeguard against costly mistakes, and they are integral to the smooth operation of your business.

Additionally, all authorized service centers are required to have at least one factory-trained technician on staff. Completing this training seminar will ensure that you meet this requirement, positioning your business as a reliable, knowledgeable service provider.

At the conclusion of the seminar, each participant will receive a certificate of completion. The training will be held at our training facility located in our corporate offices at 5885 11th St, Rockford, IL 61109. To reserve your spot, please submit a Purchase Order (PO) for part number HT-TRAINING along with your preferred seminar dates.
